## **Out of School Hours behaviour management procedure**

At Out of School Hours Care, all staff model and support children in positive behaviours in accordance to our behaviour management policy.

We expect children to:

- Abide by and respect all rules set out by the School and OSHC Service
- Speak politely and use appropriate language
- Never use swear words, rude words, signs or hurtful remarks
- Take care of our equipment
- Take care of other children and treat them as they wish to be treated
- Adhere to the centre rules (as displayed in each room)
- Treat staff with respect and kindness
- If you attend After School Care go directly to After School Centre or meeting spot from class dismissal

If children do not meet expectations the following may occur:

- The supervisor will talk with you regarding your child/children's behaviour
- If the child's behaviour continues, the supervisor will call the parent to collect the child.
- Parents will be asked to talk over any issues with children and list ways to improve. The centre may need to develop a behaviour management plan for your child.
- If poor behaviour continues and the above strategies have not worked, the issue will be taken to the management for consultation. Suspension or expulsion from the centre may be considered.

**We \_\_\_\_\_ (Parent/Guardian Names) acknowledge that we have read the above behaviour management procedures for attending Out of School Hours Care.**

**We have discussed this procedure with (Child/ren's Name) \_\_\_\_\_ and he/she understand that there are consequences for unacceptable/inappropriate behaviour.**

### PAYMENT OF FEES

- Fees are to be paid within **14 days of being invoiced**. If invoices are not paid within 14 days, parents will be sent a letter requesting payment. Alternative arrangements for payment of outstanding debt can include a payment plan (where the child continues to attend) and an acceptable reduction of the debt is set up.
- If the debt is still **outstanding after 28 days** and the payment plan is not being adhered to the parent/carer is to be contacted and advised that the child/children are excluded from OSHC services until the full debt is recovered/or payment plan is in place.
- Any debt collection costs incurred recovering overdue fees are the responsibility of the parent/carer concerned.
- Note if the account is in one parent/carer/guardian's name only and we are unable to contact this person to receive payment, than the other parent/carer/guardian is also liable for the debt (the exception being if there is a court order/legal document declaring you are separate Entities).

### Additional Child Care Subsidy (ACCS)

- When a child is at risk of harm, abuse or neglect as defined in the Child Care Subsidy Minister's Rules 2017 and where the ACCS eligibility requirements are met, the child's primary carer may:
  - Receive a higher rate of subsidy
  - More hours of subsidised child care
- One or more individuals may be responsible for the child's care and liable to pay the child care fees. The payable fees will be assessed and processed per the written compliance agreement through Centrelink.
- If a third party – such as the state, an employer or other organisation agrees to be responsible for the payment they are not deemed eligible for the subsidised child care rebate.

I, \_\_\_\_\_(full name) agree that I, and the second parent/guardian if named in this enrolment, are liable for any recovery costs including administrative fees, debt recovery fees, solicitor fees and disbursements incurred by the Dubbo Neighbourhood Centre Ltd. as a result of my failure to pay the fees and charges for the service provided within the terms of payment specified in this agreement.
