Our Philosophy

The Dubbo Neighbourhood Centre Outside School Hours Care Services (OSHC) aim;

- To provide a positive environment for a safe and enjoyable OSHC program that caters for a diversity of cultures, ages and interests, with a semi-structured range of child-focused activities.
- To respect and encourage the involvement of all children, parents/carers, staff and educators to assist in the continual improvement of the services we provide.

We believe:

- Every child matters and has the right to feel safe.
- All children are encouraged to have a voice to enhance their sense of belonging whilst learning through play.
- Children are valued as an important part of our community.
- In providing the opportunity for children to explore their interests, their environment and their community.
- In providing a child focused flexible program of activities that encourages children to use their imagination in play & activities.
- In raising children's awareness of their wider community.

As Educators we:

- Have a responsibility to provide a safe and fun environment and to be positive role models.
- Support and encourage every child's wellbeing and social development
- Understand families mainly only see a 'snapshot' of their child's day, therefore as educators we have a responsibility to provide families with feedback of their child's experiences.
- Aim to provide an environment that allows every child the opportunity to play & learn at their own pace.
- Engage in continuous professional learning that contributes to the ongoing development of children during middle childhood.
- Nurture and build relationships to optimise the experiences for all.

At Dubbo Neighbourhood Centre Outside School Hours Care Services we strive to provide a caring, inclusive happy environment which supports all families.

Our Goals:

- To promote the social, emotional, creative and physical development of primary-school-age children through a stimulating program that offers children a diverse range of experiences through structured and unstructured activities and play opportunities.
- To provide a service that enables parents/guardians to pursue work, study, training or other activities with confidence about the wellbeing of their child/children.
- To ensure the safety of the children, their carers and staff whilst attending our centres.
- To provide adequate and appropriate space for active and quiet, and indoor and outdoor recreation.
- To provide a positive environment for a safe and enjoyable program that caters for a diversity of cultures, ages and interest with a semi-structured range of child-focused activities.

To achieve these aims, parents need to understand and support existing policies and procedures, and be involved in the development of new policies and procedures. There is a copy of the Dubbo Neighbourhood Centre Policy and Procedures Manual available in the Outside of School Hours centres at all times, available for parents to read.

Policies

You will find a copy of our Service policies and procedures in the Service and office. We expect our staff and families to adhere to our policies and procedures at all times to ensure we maintain compliance and abide by the National Law and Regulations and Family Assistance Law.

Educators cannot make exceptions for individuals unless the Nominated Supervisor or Management do so on account of serious and/or extraordinary circumstances. We are constantly reviewing our policies and procedures and ask for staff and family participation to ensure our policies and procedures meet family's needs and adhere to required regulations. Your involvement helps us to improve our Service and may lead us to change our policies and procedures.

Enrolment

Outside of Schools Hours Care (OSHC) is available to school aged children from kindergarten to Year 6 at our Centres throughout Dubbo. All children must be enrolled with the Dubbo Neighbourhood Centre before they can attend. All information in the enrolment form must be provided before enrolment is complete. Parents must inform the service of any changes to their enrolment information.

Enrolment – Preschool age children

Care for preschool age children is available upon enrolment acceptance at *Macquarie Anglican Grammar School (MAGS) After School Care*. Our service only accepts preschool age students that are able to toilet independently and are adequately socially and emotionally developed to succeed in a mixed age care environment.

Confidentiality

All information on the enrolment form will be kept confidential and will be used for the purposes of education and care for your child, maintaining effective contact with children's parents/carers, and managing emergencies or illness safely. No information will be shared with any third party except with the owner's permission or as required by legislation. It is the responsibility of parents/carers to ensure this information is confirmed each term, and to inform the service of any change in contact or other details.

Fees Policy

Our service has a clear and transparent fees policy.

- Our fee structure is included on our website, at the start of the Family Handbook and Enrolment form.
- Our fee schedule is reviewed annually.
- The account holder can access their statement via their Xplor Home app/website login at any time and a statement of fees is emailed weekly.
- Fees are charged for every session that a child is enrolled/booked in at the OSHC service.
- Fees payable by families vary depending on the amount of Child Care Subsidy (CCS) each family receives
- CCS is paid directly to the Service and this is used as a fee reduction (visible on a family's statement).
- Families are required to pay the difference between the fee charged and the subsidy amount- the 'gap' amount
- Fees are charged for every session that a child is enrolled/booked in at the OSHC service: Each session of before school care, after school care, and per day for vacation care (regardless of the actual attendance hours in any session/day). This includes staff development days/pupil free days, sick days, and family holidays but excludes periods where the service is closed (e.g ASC/BSC during school holidays). If the service has to temporarily close due to a pandemic (e.g. COVID-19) or other local emergency, the service will seek government advice and make an informed decision if or not the gap fee may be waived at the time and depending on the situation.

- Families are requested to contact the Service if their child is unable to attend a particular session.
- Casual days may be offered to families if available within the OSHC Service's license. The Booking form page within the Enrolment Form has the option to tick routine/permanent care or casual care.

Child Care Subsidy (CCS)

Dubbo Neighbourhood Centre is a Child Care Subsidy (CCS) approved Provider. *

Child Care subsidy is available for families that meet the criteria and the subsidy is paid directly to us as the child care provider to reduce the fees you pay.

Families are able to apply for the Child Care Subsidy (CCS) through Centrelink. To claim the subsidy, families must first make a claim with Centrelink and test their eligibility for CCS. After entering into the Complying Written Arrangement (CWA) in the Enrolment Form, families will then need to confirm their child's government CCS enrolment through MyGov/Centrelink.

Families are responsible for notifying Centrelink of any changes in their circumstances. DNC takes no liability for loss of rebates when a child care subsidy claim has not been made or a CWA has not been accepted or MyGov confirmation has not been actioned by parent/guardian.

***NOTE: We are currently seeking CCS Service Approval for Orana Heights After School Care [as at 7/11/22]**

Step 1 - The parent/carer makes a claim for Child Care Subsidy with Centrelink

<https://www.humanservices.gov.au/individuals/online-help/centrelink/claim-child-care-subsidy>

Step 2 - The provider (DNC) and parent/carer agree to an arrangement for care of a child (Enrolment Form/CWA).

The Complying Written Arrangement (CWA) is the planned arrangement for care, this is included as part of the enrolment form.

Step 3 - The provider (DNC) submits the CCS enrolment notice and the parent/carer is sent an email with instructions on how to confirm the enrolment.

Step 4 – The parent/carer approves the CWA agreement via Xplor Home app and confirms the CCS enrolment via MyGov Centrelink

Xplor Home

Xplor is our software provider and digital platform. Upon enrolment with our service, Xplor will send you an email for setting up your login details. XplorHome is a free app that can be downloaded onto your smart phone for convenient access to accounts, attendance and bookings, child learning observations, and service notifications and messages. You may also view all of these details from your online login at <https://home.myxplor.com/>

Bookings and attendance

There are different types of child care booking options to suit family needs. On the enrolment form you will need to nominate if you wish to book in your child for **Routine/permanent care**, or **Casual Care**, or both **Routine care and casual care**.

- **Routine/permanent care** means your child has set day/s each week. You are charged the session fee for routine care days regardless of attendance.
- **Casual care** means bookings are made on an ad-hoc basis when care is needed. We cannot always guarantee booking availability if you choose casual care.

Priority of enrolment is in accordance with the Australian Government *Priority of Access Guidelines for Child Care Services*.

Bookings: Before School Care and After School Care (BSC/ASC)

- **Casual bookings** may be made at any time by using the Xplor app, emailing oosh@dnc.org.au or calling our office before the planned attendance, and will be subject to availability.
- **Routine/permanent bookings** are booked in on a reoccurring basis for the required days at the time of enrolment. To change a routine booking, you will need to notify in writing of the days/weeks you require with more than 7 days' notice, emailing oosh@dnc.org.au. Bookings made within 7 days' notice will be treated as Casual bookings during the school term.

Families will then be required to confirm changes to permanent booking arrangements via the Complying Written Arrangement through Xplor Home app.

Cancellations: Before School Care and After School Care

- All absences and late cancellations will be charged the daily session fee and are to be paid in full (subsidy will only apply up until the last actual attendance).
- You may cancel **casual bookings** up to **24 hours prior** to the child's actual attendance without being charged. If you do not provide 24 hours, the booking will be treated as an absence, and you will be charged the daily casual session fee.
- Cancellations to **routine/permanent bookings** can be made upon request by notifying the service in writing of the changes you require. Please provide a minimum of **7 days notice** to cancel your permanent bookings. If less than 7 days notice is provided, and your child does not attend, the booking will be recorded as an absence, and you will be charged the daily session fee.

The Child Care Subsidy will not be paid if your child/ren are absent from care on the **first** or **last** day of your bookings. For more information please refer to:

<https://www.servicesaustralia.gov.au/individuals/services/centrelink/child-care-subsidy/how-manage-your-payment/if-your-child-absent-from-child-care>

Vacation Care bookings

- All vacation care bookings made will be treated as permanent bookings and will be charged regardless of the child's attendance, unless a **minimum of 7 days cancellation notice** is provided in writing.
- **All changes to bookings** for Vacation Care will incur a \$20.00 fee per family for each change. Each change must be provided in writing.

Absences from Childcare

Families are required to notify the service as early as possible if children will be absent from the service or late. Notification should be made by families using Xplor, however you may also notify of absences by emailing oosh@dnc.org.au, or phoning our office if you are unable to use Xplor for some reason.

If you fail to notify the service that your child will be absent from After School Care and phone calls need to be made to locate your child, a Location fee / Failure to notify of absence fee will be charged.

Child Care Subsidy allowable absences

The Child Care Subsidy (CCS) may still be paid when you're charged for child care when your child is absent.

Usually, you can get up to 42 allowable absence days per child each financial year. For the 2022-23 financial year, you can get 10 extra allowable absences bringing the total number of absence days to 52. Additional absences taken after the allowable absence days require documentation. For more information contact Centrelink:

<https://www.humanservices.gov.au/individuals/services/centrelink/child-care-subsidy/how-manage-your-payment/if-your-child-absent-from-child-care>

Financial Difficulties

If a family is experiencing financial difficulties, a suitable payment plan may be arranged with authorisation of the approved provider. Families can apply for Additional Child Care Subsidy (ACCS) through Centrelink if they are in temporary financial hardship. ACCS provides extra assistance for up to 13 weeks.

Arrivals and Departures

For safety and security reasons ALL children must be signed in on arrival and signed out on departure using Xplor by an authorised person. The Centre iPad displays a QR code for carers/authorised persons to scan and complete the sign-in/out using their Xplor account.

No child will be allowed to leave our Service with a person who is not stated as an authorised person on the enrolment form, unless prior arrangements are made with the service and advice has been given in writing. Photo identification will be required for any person collecting children not known to educators. Please ensure that your contacts are aware that photo identification will be required. No child is permitted to travel home or to another activity on their own.

Upon arrival at Before School Care or Vacation Care, please escort your child to an educator and sign-in your child at the sign-in desk. Under no circumstances are children to be left in an area not being supervised by an educator. Always acknowledge your arrival and departure by encouraging your child to say hello and goodbye.

Inclusion Support

The Inclusion support initiative is funded by the Australian Government. In line with the National Inclusion Support Subsidy Program guidelines ISS is not to be used for 1:1 support. Further information can be provided by supervisors to apply.

Program content

The supervisor & educators in consultation with the children will plan a safe, child-focused, varied and stimulating program that meets the developmental needs of the attending children. Our daily program content will allow for choice, and will be on display at the centre. We encourage child and family input into program ideas. Programming is guided by ACECQA National Quality Guidelines and 'My Time, Our Place' (MTO) for school age children and the Early Years Learning Framework (EYLF) for preschool age and under.

Meals and Snacks

Breakfast (BSC) and Afternoon Tea (from 3:30pm depending on service) are available each day. The menu follows the Australian Dietary Guidelines and can be viewed at each centre. Occasionally, educators may give children treats as part of an activity. Parents are required to fully brief staff on any food allergies or nutritional requirements that their children have. During Vacation Care, it is the responsibility of the caregiver to provide a nutritional morning tea, lunch and afternoon tea unless specified in the program.

Food and Nutrition

We aim to encourage the consumption of nutritious and varied food of good quality in the centre. Children will be encouraged to develop good eating habits through examples and education. Parents will be encouraged to share family and multicultural values and ideals to enrich the variety and enjoyment of food by the children. High standards of hygiene will be maintained throughout any food preparation. Educators will ensure that gloves are worn during food preparation, that food has been stored properly and purchased from reputable outlets and that all food-handling utensils are clean and sterile.

Food and Nutrition Procedures

- Any food provided by the centre will be prepared in a hygienic manner.
- Where children are involved in food preparation, they will always be supervised and hygienic conditions maintained.
- Food provided by the service requiring refrigeration will be stored in the refrigerator.
- Children should be seated while eating or drinking.
- Eating and snack times are seen as a social event where children and educators can relax, talk about their day and experience a variety of foods. Educators will demonstrate healthy and hygienic eating habits while with the children.
- The menu will be on display for families and children.

- Education of healthy eating habits will be developed through ongoing example, specific activities, notices, posters and information sheets to parents. The denial of food will never be used as a punishment.
- Children's cooking activities will be encouraged to develop life skills. At all times, safe and hygienic practices will be followed.
- Educators will ensure that drinking water is available to the children at all times.
- Educators will teach children about nutrition through planned and unplanned experiences with opportunities for discussion about taste, texture, colour, cultural origin and preparing foods that encourage healthy food choices.
- Food brought into the centre from an outside source to be shared amongst the children will need to be accompanied by a list of ingredients (eg Birthday cake – homemade or store bought).
- All food and drink provided by families should be prepared taking into consideration the National Dietary Guidelines for Children and Adolescents in Australia. Foods that are not recommended to be brought into the centre generally fall into 3 categories:

In line with Regulations, all medical information must be provided on the enrolment form and children with a medical condition will be unable to attend unless all medical information and medication is current.

Where a child has a diagnosed medical condition, before attending the service:

- Families will be provided with a copy of our *Medical Condition Policy and Administration of Medication Policy*.
- Families will be required to provide a current Medical Management Plan by the child's medical practitioner.
- Families will be asked to assist service staff in creating a *Medical Risk Management Plan and Communication Plan* for their child and sign to acknowledge the plan.
- All medication **must** be supplied to the service in its original chemist labelled packaging.
- Medication for a child who has asthma must be supplied to the service on or before the first day they attend. This asthma medication to be used at the service will need to stay at the service and not remain in your child's bag or be taken home daily.

Supervision / Educator to Child Ratios

Children are supervised at all times by adult educators. The ratios are always at least:

- 1 educator to every 15 children whilst at the centre (school aged children).
- 1 educator to every 10 children for preschool age and under (mixed ages centres: MAGS).
- 1 educator to every 10 children whilst on excursions.
- 1 educator to every 5 children whilst attending the swimming pool.

Our staff ratios are to meet or exceed requirements from the *Education and Care Services National Law (National Law)*, *Education and Care Services National Regulations (National Regulations)*, and *National Quality Standard (NQS)*.

Behaviour

Dubbo Neighbourhood Centre aims to provide an environment that is safe, secure and enjoyable for all children to participate. Misbehavior will be managed according to the Behaviour Management Policy (ours is called Behaviour Expectations Policy). Permanent expulsion from attendance may be observed if severe misbehaviour occurs regularly or if a child's misbehaviour has created an untenable situation for others attending the program.

Parents are expected to assist staff in encouraging children to take direction and cooperate with staff in the interest of safety and group harmony. Misuse of equipment, swearing, spitting, hitting or unruly behaviour is unacceptable and a behaviour management system will be implemented.

Reflection time

All behaviours are seen as part of learning to interact and behave in a socially acceptable manner. It may be necessary for children who are behaving inappropriately to be directed to another activity or be asked to sit and reflect on their behaviour for a short period of time (reflective of child's age/development).

Immediate Suspension

If a child causes bodily harm to other children, centre staff or volunteers whilst in care, the child will be suspended. Parents /guardians will be notified to collect immediately and requested to have a meeting to discuss a behavioural plan for the child. At times parent/guardians may be requested to make alternative child care arrangements if ongoing harm of others occurs.

Disputes

Where there is a dispute between children, the staff members will endeavor to bring about reconciliation. If it continues the parent/guardian will be asked to assist with solutions. In the case of disputes, we follow DNC Grievance Policy.

Health and Safety

It is important that all educators and children work and play in a safe manner. All hazards, accidents or incidents are dealt with according to the WH&S policies and procedures. No one is to work or play in a manner that may cause harm to themselves or someone else. Dubbo Neighbourhood Centre operates sun safe and smoke free. An educator with a current first aid certificate and approved qualifications in the management of Asthma and Anaphylaxis is on duty at all times.

Rest Time and sleep

Our OSHC Service will cater for the needs of individual children who may require a rest after a busy school day. Our Out of School Hours Care Service will ensure that all children have appropriate opportunities to rest and relax in accordance with their individual needs. Our Service has a duty of care, to ensure we respect and cater for each child's specific needs.

Medicine will not be administered unless a parent/guardian completes a Medication Administration Authorisation Form.

It is the responsibility of parents/guardians to arrange with local bus companies to have their children transported to the centre from their school if required. The educators at the centre will meet children at the bus stop and walk them to the centre.

Our service provides transportation from North Before School Care to school. For regular transportation, including transporting your child to school, written authorisation will be required once every 12 months unless circumstances change. Authorisation for regular transportation is completed at enrolment. Any other forms of transportation will require individual written authorisation.

The safety of children enrolled in our service is paramount and we take every reasonable precaution to protect children from any hazard that could cause injury or harm. Sustainability

Our Service is passionate about sustainability. We believe in supporting children to appreciate and care for the environment by embedding sustainable practice into the daily operation of our Service, infrastructure and teaching.

In order to empower our sustainability program, we emphasise children's ability to make a difference, enabling them to learn and appreciate their environment in an engaging, fun and exciting manner. We do this by engaging children in discussion about sustainable practice, encouraging them to participate in a recycling program, using recyclable materials for art/craft resources, reducing energy and conserving water. We aim to provide children with the skills and knowledge required to become environmentally responsible.

We are often on the lookout for recyclable items for various activities. Ribbons, wrapping paper, towel tubes (not toilet or egg or milk because of hygiene and allergy issues) paper or anything interesting from your work is much appreciated. Please talk to Educators about how you may contribute.

Health and Hygiene

Our Service has effective and systematic risk management systems in place to identify any possible risk of hazards to our learning environment and practices. All staff diligently practice and model personal hygiene measures such as hand washing, cough and sneeze etiquette and disposal of tissues. We request that all children and visitors to our service wash their hands or use the alcohol-based hand sanitiser upon arrival.

Our educators teach and model correct hand washing techniques to children and regularly clean and disinfect high touch objects throughout the service to reduce the spread of infection.

When should I not send my child to the Service?

Our Service cares for children before or after a busy and demanding day for the bodies and minds of our children at school and during vacation care. We are not equipped to care for sick children; however, we will do everything we can to comfort a child who has become sick whilst in our care.

To minimise the spread of infections and diseases, and maintain a healthy environment for all children, educators and staff, we implement recommendations developed by the National Health and Medical Research Council (NHMRC)- *Staying Healthy in Childcare*. Our policies and procedures for the *Control of Infectious Diseases* are available for all families to view.

Please monitor your child's health and do not bring your child to the Service if they are suffering from an infectious disease/illness or are generally unwell.

If your child becomes ill whilst at the Service, we will contact you or an authorised nominee to collect your child.

If your child becomes ill whilst at school and goes home, please ensure our Service is aware. Your child should not attend the Service if they have had paracetamol within 24 hours for a temperature. Children who are on antibiotics are to be kept away from the Service for the first 24 hours to allow the child to rest and the risk of spreading the infection to decrease. If your child has been vomiting or had diarrhoea, they will be excluded for 48 hours. For certain illnesses, a medical clearance certificate may be required before your child returns. Please check with the Service as to whether or not you will need a certificate before your child returns.

Immunisation

When enrolling your child at our Service you will be asked to provide your child's Immunisation Status.

COVID-19

Our service is committed to following Public Health Orders and government COVID-19 safety guidance.

- **COVID-19 Vaccinations:** In line with NSW Health advice, our service recommends two doses of the COVID-19 vaccination and a booster shot for staff and visitors attending our services.
- **Influenza vaccination:** We also recommend that staff at our services be vaccinated for influenza.
- **Face masks** are no longer mandatory for staff, however NSW Health continues to recommend the wearing of masks indoors when you cannot physically distance, and this will now be a personal decision for educators. At times the service may require staff or visitors to wear a mask if a high risk is determined. Parents who wish for their child to wear a face mask are to contact the service.
- **Isolation requirements for close contacts:**
 - Staff and families must notify the service if you / your child is a household contact or a close contact.
 - In limited circumstances, the service may approve educators return to work and children's attendance at the service where they have no symptoms and take additional precautions as agreed with the service to reduce the risk of transmission.
 - Those who are caring for a family member or who are unwell or showing COVID-19 symptoms themselves should continue to isolate at home.
 - Our service reserves the right not to admit household contacts where there is an identified high risk of transmission, such as at vacation care.
- **COVID-19 positive:** If a child or staff member has tested positive, they must isolate for 5 days and can leave isolation after 5 days only if they are symptom-free. They do not need to test before returning to the service. If symptoms remain after day 5, they must continue following NSW Health guidelines to self-isolate for days 6 and 7.
- **Stay home if unwell:** If your child is sick, keep them at home. For primary school-aged children with symptoms of COVID-19, NSW Health recommends you contact your GP (doctor). If the GP recommends a [rapid antigen test](#), follow the [NSW Health advice on getting tested for COVID-19](#).
- Staff are also asked to stay home if unwell and they should receive a negative COVID-19 test and be symptom-free before returning to the service.
- **Children or staff with allergies:**
 - Any person with symptoms of COVID-19 should seek out a COVID test and only return to the service when the test is negative and they are symptom free.
 - For children or staff with seasonal allergic rhinitis or other conditions that have similar symptoms to COVID-19, an initial negative COVID-19 test is recommended before returning to the service.
 - Following this, only if the person's symptoms change from their usual symptoms, then repeat COVID-19 testing should be performed.
- Our service adheres to the NHMRC childcare cleaning guidelines and regular cleaning and disinfecting to high touch surfaces.

From time to time, the service may implement additional precautions to reduce the risk of spread, which may include:

- Changes to drop off and collection designated points outside the service.
- Restrictions to the number of visitors entering the Service
- Enhanced personal hygiene practices, including all persons to wash or **sanitise hands** on arrival. Handwashing procedures displayed at the service.
- During periods of high community transmission or where there is an outbreak, excursions may be put on hold. The service will undertake a risk-based approach when planning excursions.
- Other additional risk mitigation measures may be implemented at times.
